Chorus

Bridge 01: Em/F#m/G/A

It amazes me how strong I think I can be, wish I can be...how I can try and try and as
the world flies by I find time after time that I am weak...Not what I want to be...
It amazes me how when I need it you're there. Loving the weak me despite all you see
unrelentingly loving...amazing. Never ending never bending or changing never ever
never far and to feel you by me I am unfailingly every time amazed at how strong you
can be, have to be, no no even more accurately...how strong You are...amazing...You

Brigde:

Em
Lord over all of me
Em/F#m
Lord over everything
Em/G
All praises to Your name
Em/A **C**
My Lord and mighty king (Repeat 3x/last repeat)
